

First performed by Mark Tanner, live on BBC Radio 3, and at Wigmore Hall, London, July 2008

The Towednack Toll

"There are no cuckolds in Towednack, because there are no horns on the tower"

Mark Tanner

Composer's Note: Diamond-headed notes require more prominent voicing.

For the most part, the left hand is intended to play the repeated E notes, keeping strict time, while the right hand crosses over where necessary.

Nefariously - a little faster than slow ♩ = 100
