

HELP US TO LOVE

(Based on Colossians 3:12-14)

For Ruth and Aidan

Help us to love with joy in our hearts,
Each moment enriching the life that we live.
Help us to grow in patience and peace,
Accepting the truth and prepared to forgive.

*Help us to hope, to trust and believe,
To see what is good, excuse what is wrong.
Help us to live a life built on love,
A love which endures and a love which is strong.*

Help us to feed the love in our hearts
With words ever tender and gentle and true.
Help us to guard the treasure we share,
The gift of our love which came freely from you.

*Help us to hope, to trust and believe,
To see what is good, excuse what is wrong.
Help us to live a life built on love,
A love which endures and a love which is strong.*

Help us to use the gift of our love,
By learning to share it with strangers and friends.
Help us to bring your love to the world,
A love all embracing, for love never ends.

*Help us to hope, to trust and believe,
To see what is good, excuse what is wrong.
Help us to live a life built on love,
A love which endures and a love which is strong.*
