

# STAY WITH US, LORD, ON OUR JOURNEY

Stay with us, Lord, on our journey,  
Close at the dawn of each day,  
Share in our hopes, share in our dreams,  
Help us to find our way.  
Be with us, Lord, in our gladness,  
Strengthened with you at our side,  
Safe in your hands, safe in your love,  
Safe with your truth as guide.

Stay with us, Lord, on our journey,  
Close when we're weary and weak.  
Lighten our step, lighten our pain,  
Give us the food we seek.  
Be with us, Lord, in our frailty,  
Strengthened with you at our side,  
Safe in your hands, safe in your love,  
Safe with your truth as guide.

Stay with us, Lord, on our journey,  
Close when we stumble and fall.  
Open our eyes, open our hearts,  
Help us to hear your call.  
Be with us, Lord, in our darkness,  
Strengthened with you at our side,  
Safe in your hands, safe in your love,  
Safe with your truth as guide.

Stay with us, Lord, on our journey,  
Close when your peace is in sight.  
Fill us with joy, welcome us home,  
Home to eternal light.  
Lead us, O Lord, to your Kingdom,  
Strengthened with you at our side,  
Safe in your hands, safe in your love,  
Safe with your truth as guide.
